

January 2020

# Adult Day Program

275 Ida Street North, (613) 623-6547 Ext 228

## Reminders

The Arnprior Adult Day Program will be closed on Monday February 17 (Family Day).

We are very excited that work has begun on the new Grove Nursing Home and with that there will be some disruptions in and around The Grove.

Through January 2020 there will be construction in the parking lot of the Grove.

Please watch for construction workers and flag people helping direct you around construction.

Parking spots will be impacted and reduced during this time, and we are working to provide alternative options around The Grove.

Please bear with us as work continues for the new Grove.

If you have any questions, please do not hesitate to call:
